TO ALL PERSONS HAVING FARMING, TIMBERED OR MINERAL LANDS, ETC. FOR SALE.

The Nashville, Chattanooga & St. Louis Railway proposes to use its best efforts to induce a good class of immigrants to settle in territory contiguous to its lines, and to engage the attention of capitalist seeking Manufacturing Sites or Mining Property. It therefore solicits the support, the co-operation and the assistance of the people of every county through which its lines pass. The management earnestly requests that all persons who have farms for sale or lease, those who have timbered lands, water power or mineral lands for sale, will send a brief description of same to the railroad agent nearest them giving the prices and terms of sale. The prices must correspond with the prices asked of local buyers. The management does not propose to aid in selling land to immigrants at exorbitant or speculative prices.

Large tracts suitable for colonization, at low prices, are especially wanted. J. B. KILLBREW, Industrial and Immigration Agent H. F. SMITH, Traffic Manager, NASHVILLE, TENN.

Those who have read merit are the last ones to see it in themselves and the first to see it in others.—Josh Billings' Allminax.

Every woman who loves a man and is anxious about him is sure that if she can be alone with him for a moment he will tell her the truth about his condition. The experience of thousands of years has not taught woman that if there is one person in the world from whom a man will try to conceal his ills and aches, it is the woman he loves.—Marietta.

"He's a mighty hard man to get along with," said the practical politician sadly, "mighty hard."

"He seems thoroughly honest."

"Of course he is. That's what makes him so erratic and unsatisfactory. Every once in a while he insists on doing something simply because he thinks it is right, without waiting to figure out what its effect on his political prospects is liable to be."—Washington Star.

A desperate negro at Tusculum, Ala., shot down the sheriff and nine men, who were trying to arrest him on a charge of obtaining goods under false pretenses. The horses adjoining had to be burned to capture his dead body.

Good For Rheumatism.

Last fall I was taken with a severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this Remedy I was much better, and after using one bottle was completely cured.—Sallie Harris, Salem, N. J. For sale by Cowgill & Cowgill.

A VALUABLE MEDICINE.
For Coughs and Colds in Children.
"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watch maker, of Colombo, Ceylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by Cowgill & Cowgill.
